FOR IMMEDIATE RELEASE

Quarter Maps Now Available Online

(Sedgwick County, Kansas) –The Sedgwick County Clerk's office is pleased to announce that all quarter section maps are available online on the Clerk's website, www.sedgwickcounty.org.

The County Clerk maintains 4, 032 quarter section maps that cover Sedgwick County. The quarter section maps are used extensively by real estate developers, builders, surveyors, title insurance companies, property owners and others. The maps are continuously updated when new plats are filed with the County and when property boundaries are changed. The changes and updates are incorporated into the quarter section maps and digitized electronically each week to assure accurate, current maps are available on the Internet.

"I am very happy that we can offer this online service to Sedgwick County," said Don Brace, Sedgwick County Clerk. "This will make it a lot easier for those that need to access these maps regularly."

"Departments at Sedgwick County are continually looking and improving ways to make our services more accessible," said Commission Chairman Ben Sciortino. "Internet services provide us the opportunity to serve citizens 24 hours a day, seven days a week."
